

GIADA

The new pod coffee machine developed by Gime to allow the espresso coffee lovers enjoyment of a rich gourmet coffee at any moment of the day.

A SIMPLE DESIGN

The simple and harmonious lines allow the Giada to gracefully place itself into all environments.

RELIABLE

The Giada items components are some of the most tested on the market, and the technology within will guarantee the highest standards in reliability.

EASY TO USE

Pop the pod in, close and go! a full flavour coffee is ready to be drunk.

EASY TO CLEAN

The simpleness and the practicality of cleaning the Giada overcome the day-by-day routine of traditional cleaning.
