

- First product ever for cleaning grinders.
- Cleans grinder burrs and casings with no disassembly required.
- U.S. and foreign patents pending.
- Usage dose for home grinders is 20 g - 30 g.

The world's first and only product for cleaning coffee grinders, Grindz™ Home Grinder Cleaner is a consumer packaged version of our patent-pending innovation. The product is an all-natural, food-safe, and flavor neutral combination presented in coffee bean shaped tablets. Grindz™ Home quickly and effectively removes stale coffee residue and flavored coffee odors from the internal burrs and casings of coffee grinders. Requiring no grinder disassembly, Grindz™ Home users simply run the product through the machine just like coffee. Delivering the same cleaning power as the commercial version, Grindz™ Home is ideally portioned and packaged for home users.
